Nov 2025	27th Annual TKO STATE FINALS		TBA	TKOLEAGUE.COM	Wayne Nguyen	(281) 781-5181

For 2025, we have established two distinct regions in Texas, North and South, to facilitate competitors' qualification for State Finals. The North region will operate independently from the South Region, maintaining separate ratings. Each region will host its own qualifier and tabulation process. Consequently, there will be two #1, #2, #3 seeds, etc. The highest points seeded competitor will ultimately determine the #1 position during the final runoff. All other seeds will still compete from the lowest to the highest seed competitor. Both regions will feature "A", "AA", and "AAA" rated Qualifier events throughout Texas. Each TKO League sanctioned event will serve as a "Qualifier". Competitors earning the most points will secure a preferred seed at the TKO State Championship. For instance, "A" rated tournaments will award single points, "AA" rated tournaments will award double points, and "AAA" rated tournaments will award triple points.

All sparring competitors earning the #1 Top Rank Seed in sparring will fights last in a double elimination for 1st place. Stick combat. Sport MMA, Grappling and Continuous Sparring will be a single elimination. In the weapon, traditional and kata divisions, the #1 Top Ranked seed will also go last against the winner of the run-off division. This means there will be a run-off in every division to determine "one" winner. The winner of the run-off will then compete against the #1 Top Rank Seed from the North and the South for 1st, 2nd and 3rd place. In other words, if you are the #1 seed, you will be guaranteed a 2nd or 3rd place at the State Finals! We will be awarding all TKO Qualifiers with a 1st-3rd place award at TKO STATE FINALS! All TKO QUALIFIERS will receive an award at the Saturday night finals. You must attend the nighttime finals to receive the award.

TKO will only track points for "Qualifier" tournaments! A competitor can accumulate points in point sparring, continuous sparring, grappling, sport mma. Breaking, creative forms, traditional forms, weapons and self defense. All TKO "Qualifier" points from each TKO events will be posted at Myimartial.com To view your points click "TKO LEAGUE RESULTS" to check if your point is correct. Any corrections or lost points must notify us by end of October. You can submit corrections at our TKOLeague.com website or email to TKOKick@yahoo.com.
