# Continuous Sparring Rules at a Glance

#### Definition

#### \* You can download complete rules at TKOLeague.com

A Leg and Full Body Light Contact (No Head) Fighting in a Continuous Manner. Under no circumstances should light contact continuous fighting simulates full contact kickboxing. Utilizing well-controlled techniques, ring craftsmanship and combination skills, competitors should attempt to "outscore" rather than "overpower" their opponent. Competitors will fight continuously until the referee's command to "STOP/BREAK". Techniques should not "strike through" or "push through" the target. Striking with excessive contact, or uncontrolled striking of any kind will lead to disqualification. Emphasis must be placed on both punching and kicking techniques. Punching or "boxing" only to body or leg (Above the knee), for an extended period of time without throwing kicks will downgrade the judge's evaluation of your performance. Each match is carried out with running time. The referee and judges will evaluate the relative effectiveness of each fighter based on the number, quality and variety of scoring strikes, defense and conditioning. Rules violations (whether penalized by the referee or not) will downgrade the judges evaluation of the offending fighter. The three officials will determine the winner of each match by majority decision.

#### **Equipment Needed:**

- Adult divisions: mouth-guard, Head Gear, 10oz gloves or larger, groin protection, shin/instep guards.
- Teen & Junior divisions: mouth-guard, Head Gear, 10oz gloves or larger, groin protection, shin/instep guards.
- Shorts or pants and school tshirt/rash guard or Martial Arts Uniform must be worn.

**Weigh-in:** Weigh-in is not required at Qualifiers. To insure fairness, a request can be ask during check-in. Only at State you will need to make weight. All competitors must weigh at scheduled time. If a competitor missed the weigh-in time, weigh-in will take place at the time when the competitor is called to compete. If you do not make weight, you will lose your seeding, and moved up to the appropriate division as an unseeded "wild card" player.

**Time and Rounds** Two (2) - Two (1) minute rounds with a 30 second break. If both Fighter wins each round, a 3<sup>rd</sup> round of 30 second is needed. Head judge will add a judge for the 3<sup>rd</sup> round to insure no ties.

**Weight Divisions and Weigh-in Procedures** See 'Divisions' listing on website and in event program.

**Coaching:** Coaching is allowed on both side of the ring. Coaches are not allowed to badger or yell at judges. The competitor's coach can also make the decision to forfeit a fight by calling time, and informing the head judge to forfeit the fight.

**Legal Target Areas** The following parts of the body may be attacked using the authorized fighting techniques:

- •Torso front and side
- Legs Inside and outside (above knee)
- •Feet only for sweeping (foot to foot)

Legal Techniques – Scoring Both hand and foot strikes should be used. In evaluating each fighter's performance the judges will give more credit to the athlete that is effective with a balanced attack of kicks and punches thrown in combination. Punching or "boxing" only for an extended period of time without throwing kicks may be cause for penalization or may downgrade the judge's evaluation of a fighter's performance. The authorized striking area of the hand or foot may only make "Clean/ Controlled" Light contact. The fighter must be looking at the point of contact when executing the technique. All techniques must be well executed. Weak techniques or techniques that simply touch or brush or push an opponent will not be scored. Excessive contact, mauling, pushing or rough-housing will be grounds for penalization, downgrading in the judges evaluation and/or disqualification. (it is not allowed to touch the floor with any part of the body except the feet).
