We now have **2 regions in Texas** (North and South) for a competitor to earn points and qualify for State Finals! The North region will be independent from the South Region and have separate ratings. Each region will have their own qualifier and tabulation. This simply means there will be "TWO" #1 #2, #3 seeds ect... The highest points seeded competitor will ultimately determined the #1 position during the final runoff. All other seeds will still run from the lowest to the highest seed competitor.

Both region will have an "A", "AA" and "AAA" rated Qualifier events throughout the State of Texas! Each TKO League sanctioned event will be a "Qualifier". A competitor that earns the most points will earn a preferred seed at TKO State Championship. **Example:** Tournaments that is an "A" ratings will earn single points. Tournaments that is "AA" rated will earn double points, and tournaments that is "AAA" rated will earn Triple Points. **THE MORE YOU COMPETE AND WIN AT TKO QUALIFIER, THE BETTER CHANCE YOU WILL RECEIVE THE #1 SEED AT STATE!**

All sparring competitors earning the #1 Top Rank Seed in sparring will fights last in a double elimination for 1st place. Stick combat. Sport MMA, Grappling and Continuous Sparring will be a single elimination. In the weapon, traditional and kata divisions, the #1 Top Ranked seed will also go last against the winner of the run-off division. This means there will be a run-off in every division to determine "one" winner. The winner of the run-off will then compete against the #1 Top Rank Seed from the North and the South for 1st, 2nd and 3rd place. In other words, if you are the #1 seed, you will be guaranteed a 2nd or 3rd place at the State Finals! We will be awarding all TKO Qualifiers with a 1st-3rd place award at TKO STATE FINALS! **All TKO QUALIFIERS will receive an award** at the Saturday night finals beginning at 7:30 pm.
