ZERO TOLERANCE POLICY

Purpose:

To help prevent physical assault and verbal abuse during sanctioned events, the TKO and TNT League, has adopted a ZERO TOLERANCE POLICY.

This policy applies to all coaches, instructors, players, parents, spectators and other supporters and judges effective IMMEDIATELY.

Abusive and obscene language, violent play/conduct, fighting and other behavior (including, but not limited to sarcasm, taunting, RACIST REMARKS etc.) deemed detrimental during and after a match will not be tolerated. The ultimate responsibility for the actions of coaches, instructors, players and spectators resides with all TKO League members. It is the responsibility of the coaches to provide referee support and spectator control, and it is the responsibility of the TKO and TNT League promoters to provide instructions to their black belts on how to implement sportsmanlike behavior.

This policy applies before, during and after the sanctioned event at the TKO and TNT tournaments.

This includes, but is not limited to:

Coaches, Instructors and Players shall never yell at the referee(s), including criticism, sarcasm, harassment, intimidation or feedback of any kind before, during or after the match. Additionally, Coaches, Instructors and Player shall not make derogatory comments to players, spectators, instructors or coaches of either team.

Players

The conduct of the players is governed by the Rules of the competition as stated by TKO and TNT Rules. The Rules themselves describe penalties associated with violating the Rules of the competition. Additional penalties for players who engage in misconduct may be established by the TKO/TNT League but may in no case be less severe than penalties established by TKO or TNT League. In severe cases of unsportsmanlike behavior and violent conduct players will be escorted off the premises, or depending of the severity of the situation, banned from competing at any TKO and TNT events.

Instructors and Coaches

It is the responsibility of all instructors and coaches to maintain the highest standards of conduct for themselves, their players and supporters in all matches. Failure to do so undermines the referee's authority and the integrity of the sport resulting in a hostile environment for players, the referee(s), instructors, coaches and parents/spectators.

As role models for all of the participants and spectators, instructors, and coaches participating in a TKO and TNT sanctioned event are expected to be supportive of, and to acknowledge the effort, good play and sportsmanship on the part of ALL players from either team in a competition. By example, instructors and coaches are expected to show that although they are competing in a sport, they have respect for their opponent, referees and spectators at all times.

The TKO and TNT League will not tolerate negative behavior exhibited either by demonstrative actions and gestures, or by ill-intentioned remarks, including those addressed toward the referees or members of an opposing team. Instructors and Coaches exhibiting hostile, negative, sarcastic or otherwise ill-intended behavior toward referees, opposing players or coaches will be subject to disciplinary action by the TKO and TNT League.

Additional may be imposed by the League that the instructors and coach represents, or as allowed by TKO and TNT League policies:

- * Coaches and instructors shall not offer opinions to any call made by the referee(s) at any time
 - * Coaches and instructors are not to address the Referee(s) during the match except to: a. Respond to a referee who has initiated a conversation.
 - * Point out emergency or safety issues.
 - * Clarify a call or call for an arbitrator.
- * Absolutely no sarcasm, harassment or intimidation is allowed.

Penalties (Coaches and Instructors)

In the opinion of the referee, depending on the severity of the offense, the referee may take any of the following actions:

- a. The referee may issue a verbal warning to the offending instructor or coach
- b. The referee may eject the offending instructor or coach. Once ejected, the individual will be required to be escorted and leave the premises immediately.

Conclusion by the TKO and TNT League:

In cases of extreme unsportsmanlike behavior, in the opinion of the TKO and TNT League, a team, player, coach or instructor may be banned from any further TKO and TNT League sanctioned events and competitions.
